Hi Beth.

All of those are fine with me except I have a conference call from 3:30-4:00 on April 6th. I've also added Alice Yeh to this since she should be joining us.

Thanks,
Elizabeth

Hello,

Would April 5th, 6th or 7th work for your schedules? These are dates that I proposed to Baye's assistant. I hope this could work for you. Otherwise I will come up with other dates.

Kind regards,
Beth

Hi Lisa,

It is great meeting you. I would love to schedule a meeting with you to discuss the Superfund Job Training Initiative for the Passaic River. I will have my assistant Yolanda schedule the meeting if it is okay with you. Thanks. Best, Baye

Hi Lisa-

I wanted to connect you (if you haven't connected already) with Baye Adofo-Wilson the Deputy Mayor for Economic and Housing Development. Deputy Mayor Adofo-Wilson was interested in speaking with EPA further on the remedial design of the Passaic River and how important the possible Superfund Job Training Initiative would be for residents and the City of Newark.

Baye- Lisa is the Chief of Staff to EPA Region 2 Judith Enck, and former NJ congressional staff.

I will let you two take it from here, please let us know if Senator Booker's office can be of any further assistance.

Zach
